

October 2008

Dear Village Resident:

The 2008 Village leaf collection program will commence on Monday, October 13th. The collection schedule is listed below. Please identify your street and the corresponding dates in which collection crews will be working in your neighborhood. Please be advised that this schedule is subject to revision as a result of inclement weather, heavy leaf accumulation periods and other factors. Please call the Highway Department at 666-8193 for schedule revisions.

Leaves should be placed **AT THE CURB OR EDGE** of property for collection. **LEAVES SHOULD NOT BE PLACED IN THE STREET** as this practice is detrimental to pedestrian and vehicular safety and results in catch basin sewer blockages. To reduce the likelihood of these events, residents are encouraged to collect leaves in **BIODEGRADABLE PAPER BAGS** and place them at the curb for collection. Leaf bags are available at the Water Department/Tax Receivers Office at Village Hall, 104 Main Street, with the first 10 bags provided free and each additional bag provided at the cost of twenty-five cents. Verification of Village residency is required.

Thank you for your cooperation in making the Village leaf collection program a success.

Mayor
J. Michael Cindrich

	Allan Lane	Knowlton Avenue
